#2/85, Sivan Koil street, Sembanarkoil, Mayiladuthurai Dt, Tamil Nadu, India, 609309.

SKILLS:

Programming Languages: Python, C#, SQL, JavaScript, HTML, CSS, SASS

Frameworks: Django, ASP.NET Core MVC (Beginner)

Databases: MySQL, SQL Server

Tools: Git, Postman API (Beginner), VS Code, Visual Studio

Others: Linux Commands

Soft Skills: Self Learning, Logical Thinking, Adaptive to learn New Technologies

EDUCATION:

Master of Computer Applications (MCA)

A.V.C. College of Engineering

Oct 2022 - Expected Dec 2024

Mannampandal, Tamil Nadu, 609305

Bachelor of Computer Applications (BCA)

A.V.C. College (Autonomous)

Jun 2019 - Jul 2022

Mannampandal, Tamil Nadu, 609305

- CGPA: 7.09

PROJECTS:

1. **Hardware Shop Management System** | Django, SQL, HTML, CSS, JavaScript

- Developed a web-based inventory and point-of-sale system with sales reporting features, tailored for hardware shops but can be adopted to other types of retail stores.
- Key Features:
 - Implemented a feature to manage product variants based on customizable attributes such as size, color, and more.
 - Enabled Authentication and Authorization for users like owner and salesman.
 - Created stock management across multiple warehouses, with categorization for good and damaged items.
 - Added report generation features to analyze sales by month, product, and customer.
- **Link for Source Code, Demo Video and Database Design:** <https://github.com/sriram-s17/mca-project>

ACHIEVEMENTS:

1. **Smart India Hackathon 2023:** Collaborated with a team to develop a mobile-based bus tracking application using Low-Code Platform called FlutterFlow, earning recognition for innovation and teamwork.

2. **Departmental Competitions:** Achieved the Overall First Prize for excelling in coding, web design, presentation events, and some gaming events.

LANGUAGES KNOWN:

1. Tamil (Native)
2. English (Proficient)
